

Mateo Rossi

Research Scientist, Computational Biology

m.rossi@example.com | +39 333 555 0188 | Milan, Italy → Boston, MA

Postdoctoral researcher, 14 publications in protein folding. Exploring an EB-1A self-petition ahead of a US faculty appointment.

Research

- Postdoc, MIT Broad Institute (2022–present).
- Ph.D. Computational Biology, University of Milan (2022).

Selected Publications

- Rossi et al., Nature Methods (2024).
- Rossi & Tan, Cell Systems (2023).

Skills

- AlphaFold, PyTorch, molecular dynamics, R
